## WOOD DECKING DRILLING KIT

Allows pre-drilling and countersinking of screw head housing in a single action.

45° countersink with tungsten carbide tip = longer service life.

Anti-friction metal stop, depth-adjustable.

Suitable for hard and soft woods.

Composed of :

1 pc HSS 3-point drill bit  $\varnothing$  4 x 55 mm

1 pc HSS 3-point drill bit  $\varnothing$  4 x 75 mm

1 pc  $\varnothing$  9.5 mm countersink with 6.35 mm quick-change hex shank

1 pc hex key
