## STRAIGHT HANDLE FOR DRYWALL FLAT FINISHING BOX - Extendable from 100 to 160 cm

Allows to operate and control finishing boxes, thanks to its integrated brake lever.

Quick, easy attachment directly to the box.

Made of aluminium = lightweight.

To be connected to EDMA finishing boxes ref. 283755/283855/283955, as well as to the flat joint tape roller and straightener ref. 284955.
